

## 5<sup>th</sup> Grade Music Program

# “Through the Years at Prospect School”

featuring 5<sup>th</sup> grade students singing, playing and more!

Friday, February 21, 2020  
Prospect Elementary School Gym  
2:00 p.m.

All family and friends are invited to attend

**The Creative Process:** In music class, students gave input and voted to select music that conveys their fondest and strongest memories of their time at Prospect School. You will hear some of their thoughts and ideas in the lyrics to songs and spoken chants, and in the narration. All students will sing, play and help narrate the performance.

Each child that wanted a spoken line in the performance was assigned a line to memorize. All students have practice tracks on their iPads to listen to and sing along with to prepare the songs. Please help your child practice by asking them to say their line for you, or to sing one of the songs they are preparing.

**Attire for the Program:** All 5<sup>th</sup> grade students should wear a red shirt (Prospect shirts are ideal, but any red shirt will do!) and black bottoms the day of the performance. If your child has a **spoken line that indicates a specific occupation**, they can dress like the occupation they say instead of wearing a red shirt (i.e. doctor, interior designer, baseball player, etc).

If you have any questions, please contact Mrs. Kozakis at [ekozakis@d181.org](mailto:ekozakis@d181.org). Thank you!

We look forward to seeing you on Friday, February 21!
