

Prospect Ukulele Club

spring session 2020

The Prospect Ukulele Club is gearing up for its spring session!

The spring session is open to 4th and 5th grade students. Thanks to the generosity of our PTO, we have 30 ukuleles available for students to use! If more than 30 students wish to participate in the group, there will be a lottery. Any student who would like to use their own ukulele is welcome to join. (Please note: if a student would like to use their own instrument, it must be approved by Mrs. Kozakis - it has to be able to hold the correct tuning for it to be approved.) If you are looking to purchase a ukulele for your child go to <http://prospectmusic.weebly.com/ukulele-club.html> for an instrument recommendation. All 4th and 5th grade students will also play ukulele in their general music classroom this year.

We will continue to offer two levels this spring to best meet the needs of our students - a beginning club and an advanced club. If your child was in the beginning club last semester, they will continue with the beginning club. If your child was in the advanced club last semester, they will continue in the advanced club. If your child was in the beginning club, but feels they need more of a challenge please e-mail Mrs. Kozakis for placement. If your child is brand new to ukulele club, they will register for the beginning club.

The spring session will be 8 weeks long, and will culminate with a performance at the Prospect Choir Concert on Thursday, April 23. Please read the information below and if your child would like to participate, please **fill out the online registration form by Tuesday, February 11 (fill out the form at <https://tinyurl.com/springukuleleclub>.)** If you have any questions, please contact Mrs. Kozakis (ekozakis@d181.org).
