

To 4th grade parents,

Hey Mom and Dad, can I join band or orchestra? Sound familiar?

If so, there are two opportunities to register your children for 5th grade band or orchestra. On Tuesday, May 28th at 7:00 pm, there is an informational meeting for parents (from all 7 elementary schools) in the CHMS band room for band, and the cafeteria for orchestra. After a brief presentation, registration will take place and Quinlan & Fabish will be available to make instrument rental arrangements for your convenience (you may also make instrument rental arrangements starting at 6:00 p.m.). If this is your first child in the band or orchestra program, we strongly encourage you to attend. Another option is to stop by the open house held in the HMS Band room or Orchestra Room on Thursday, May 30th any time between 4-8 pm to register and make rental arrangements

To district-wide parents having a student in the band or orchestra programs in the past, there is no need for you to attend the Tuesday, May 28th parent information meeting. You can register for band or orchestra in one of two ways:

1) Attend the open house at HMS on Thursday, May 30th from 4-8 pm in the Band or Orchestra Room to register & make rental arrangement

OR -

2) Register online by clicking: <https://tinyurl.com/instrumentreg2019> or scan the QR code.

3) Then make instrument rental arrangements with Quinlan & Fabish or procure an instrument, accessories & music on your own. Please stay with our [recommended brands](#)

4) Registration deadline is Monday, June 3rd.

5) Questions contact:
